TRACY'S JOURNEY

The Painful Past: After years of battling alcoholism, addiction, dysfunctional relationships, and defeated living, Tracy discovered her identity in Jesus Christ and a new way of life. *“I could never break free from my behaviors or my emotions. By the time I was 30 years of age I had divorced twice, lost custody of my 3 sons from active addiction, and consumed in a lifestyle of defeat and a host of unhealthy relationships. I was broken and lost. I tried for years to turn my life around. Nothing worked. Change seemed impossible for me and I started to lose hope.”*

The Victorious Life: Tracy’s life would finally change once she surrendered her life to Jesus Christ, trusting in Him alone for her salvation and restoration. *“I was clean and sober for a year but continued to reject the saving grace and love of Jesus Christ. I was angry at God, tormented by my emotions, thoughts, desires, and circumstances. I was headed back to my old way of living until I made the decision to surrender my life to Christ and experience His healing power. It did not happen over-night, and it was not easy to change; but my life has been completely transformed and restored through my faith in Jesus Christ and living according to the Word of God (the Bible).”*

Life Today: Living her life to Glorify Jesus, Tracy preaches the gospel all over the world to restore people back to God and to experience the transforming power of His Word in every area of their lives.
