### The Painful Past

After years of battling alcoholism, addiction, dysfunctional relationships, and defeated living, Tracy discovered her identity in Jesus Christ and a new way of life. *“I could never break free from my behaviors or my emotions. By the time I was 30 years of age I had divorced twice, was a single mother of 3 beautiful boys but lost in a lifestyle of addiction and a host of unhealthy relationships. I was broken and lost. I was living a lifestyle of defeat that I so desperately wanted to escape. I tried everything, it seemed, to turn my life around and change. Nothing seemed to work. Change started to seem impossible for me and I started to lose hope.”*

### The Victorious Life

Tracy’s life would finally change once she surrendered her life to Jesus Christ, trusting in Him alone for her salvation and restoration. *“I was clean and sober for a year but did not know Jesus. I was tormented by my emotions, thoughts, desires, and circumstances. I was on my way back in to my old life. A Christian woman invited me to a prayer meeting and introduced me to Jesus. From that day forward I stopped debating and fighting Jesus. I completely surrendered and the healing could finally begin. It did not happen over-night and it was not easy to change; but my life has been transformed by surrendering my entire being over to Jesus Christ and living my life according to the Word of God (the Bible).”*

Today she cherishes family life with her husband, Darryl, and their nine amazing children. Living her life to Glorify Jesus, Tracy preaches the gospel to restore people back to God and for all to experience the transforming power of the Word of God in every area of their lives.
